### Internship Opportunity at the Ministry of Information Technology & Telecommunication (MoITT), Government of Pakistan

Are you passionate about technology, innovation, and national development? The Ministry of Information Technology & Telecommunication (MoITT) invites **university undergraduates, recent graduate students** to apply for its **Internship Program**.

#### INTERNSHIP OPPORTUNITY

This internship program is designed to provide young minds with practical experience in ICT policy, digital innovation, cybersecurity, software development, project management, research, and public sector operations. Interns will work alongside experienced professionals and contribute to real-time projects shaping Pakistan's digital future. Applicants shall be undergraduates/graduates/post graduates from the fields of Information Technology, telecom and law having at least 2.5 GPA/2nd division, from a university recognized by HEC or from a foreign university accredited by HEC. The internees shall be inducted up to a period of 03 months initially which can be extended for a further 03 months subject to satisfactory performance. Interns shall work on honorary basis with no expectation of remunerations. The interns are required to provide the following: -

- i) A duly completed "MoITT internship Application Form" including a brief Statement of Purpose setting out the reasons why he/she is seeking an internship with MoITT and what is expected from the experience;
- ii) His/her resume or curriculum vitae;
- iii) A letter from his/her university confirming enrollment and/or graduation data;
- iv) Copies of his/her education certificates/degrees;
